Subject: Regarding office order by Department of Agriculture, Government of Bangladesh to stop export of Soybean meal from Bangladesh to India.

Dear Sir,

We want to bring this matter to your kind notice that, Department of Agriculture, Government of Bangladesh, issued an office order on 5th September 2021, to stop export of Soybean meal from Bangladesh to India. As a result, concern authority has stopped issuing Phytosanitary certificate for the rest of contract that exist between Bangladesh exporters and Indian importers.

Consequences of this action would be difficulty in feeding livestock, fish and Poultry back in India.

Bangladesh is immediate source of supply of soybean meal for India. All other sources of Soybean meal are located at least 35 days away from India. This source is important for us to ensure timely supply of Soybean meal to our animals.

We therefore request you to take necessary step to ensure continuance of import of soybean meal from Bangladesh to India till 31st October 2021.

Thanking you in anticipation.

Sincerely Yours,

Ramesh Chandra Khatri
President
Poultry Federation of India
